

# Chapter 5 Abridged Resource

## Japanese Business Culture

In this interview from 1988, Akio Morita, Chairman and Chief Executive Officer of The Sony Corporation gets right to the heart of how Japanese organisations and businesses function, explaining some of the fundamental differences that differentiate the Japanese from other cultures in terms of how they approach work.

## *Kamiza*

Everything and everyone has its place in Japan. Seating is very important, not only in business. Kamiza, the best seat, is always reserved for the highest ranked person. Check out this great article with useful images not only of meeting rooms, but also elevators and cars.

### Meeting Room

Entrance
